Two Business Discount: A 10 % discount off total membership is given for members who own two different businesses when both businesses are Chamber members. This does not apply to one business that operates from more than one location.

Example: A member who owns two Option A businesses at \$115 each = \$230 - \$13 = \$217 total membership. The discount is applied to each membership. If the memberships are applied for at different times, the first membership will receive the discount upon the next renewal. The second membership will receive the discount at the time of application.
